

# APAC Instana Partner Technical Workshop (Indonesia)

We are thrilled to invite you to our Partner Exclusive 3-Day technical workshop on Instana. This technical sales advanced course employs different learning techniques to provide tech sellers the deep skills they need to go beyond a demo. This course will help you understand Enterprise Observability fundamentals, understanding of application monitoring, website monitoring, platform monitoring, infrastructure monitoring and intelligent incident remediation with IBM Instana.

## Target Audience

- Technical - Pre-sales/ Implementation/ Delivery

Date	Time	Location
April 23-25	9:00 – 17:00 WIB	L16 Borobudur Room 1 & 2, IBM Indonesia - The Plaza Office Tower , Jl. MH Thamrin Kav 28-30, Jakarta 10350, Indonesia
